Mr Baldwin presented the following Report from the Special Committee on the nomination of W.R. Castle as Minister to Washington

Report.

Honolulu June 25. 1894

To the President of the Senate

Sir:

Your Special Committee to whom was referred the consideration of the appointment of William R. Castle as Minister Plenipotentiary for the Republic of Hawaii to Washington, beg leave to report that we have had the matter under careful consideration.

Your committee recived a memorial from the "American League" setting forth their objections to Mr Castle as Minister to Washington and stating that the American League had at a regular meeting voted unanimously against his appointment to that position.

We also had before us the Chairman of the Central Committee who stated that this committee was nearly unanimous in opposing the appointment of Mr Castle as Minister to Washington.

On the other hand D. L. Stone who appeared before us as the Representative of the Hawaiian Republican Club, stated that this Club unanimously supported Mr Castles appointment.

The Executive Council state that they consider it necessary to appoint a Minister to Washington as soon as possible, but that they are not ready to make a permanent appointment at this time. For that reason they state positively that it is their wish and intention to make only a temporary appointment at present, and that of those available to fill the position temporarily Mr Castle, who is going on a visit to the States, is, in their opinion the one best fitted.

After due and carefull consideration of the opposition to Mr Gaste, and the reasons given both for and against his appointment, bearing in mind that if the Senate refuses to confirm his appointment, we to a great extent embarrass the Executive, who are desirous of making only a temporary appointment at present, owing to the difficulty of obtaining a suitable person to accept the position under such a condition, your committee have decided to recommend that the Senate confirm the appointment of Mr Gaste as Minister to Washington, but while recommending the confirmation, we do so on the assurance of the Executive that the appointment is only temporary, and on this ground alone do we recommend the confirmation.

Respectfully submitted

(Signed) H. P. Baldwin
Henry Waterhouse
Cecil Brown

Mr Baldwin presented the following Resolution.

Resolved. That the Senate of the Republic of Hawaii hereby confirm the appointment of William R. Gaste as Minister Plenipotentiary to Washington, we having received express assurance from the Executive that the appointment is a temporary one. And Resolved further that it is the sense of this body that the appointment should be only temporary and that it is on this ground alone that we confirm the appointment.
